Mergers and Acquisitions
Private Equity

+44 20 7556 4494

London

Louise's practice focuses on a broad range of corporate transactions, including M&A for VC-backed companies, as well as private equity and corporate reorganisations. She advises on matters covering various sectors, with a particular interest in software and other technology-related investments.

Louise's recent representative experience includes advising:

- Unchained Labs on its acquisition of Blacktrace Holdings
- UiPath in connection with its acquisition of Re:infer
