Intellectual Property

+1 202 776 2315

Washington, DC

Rachel's practice focuses on intellectual property litigation, with an emphasis on patent litigation in federal district court and before the US Patent and Trademark Office. Her practice is primarily within the life science space.

At George Mason University Law School, Rachel served as the publications editor of the Journal of Law, Economics, and Policy. She also provided pro bono services to entrepreneurs and inventors as a member of George Mason's Innovation Law Clinic. Before pursuing a JD, Rachel worked in the material science field developing biodegradable superabsorbent polymers.
