Ferish Patel provides strategic advice to clients in the US, Europe, Asia and MENA, across the full-spectrum of corporate matters – including private equity and other financings of all stages, IPOs, mergers and acquisitions and corporate governance matters. Ferish has helped clients raise over US\$150 billion in public and private capital and to achieve liquidity and other exit transactions. This includes advising on several, landmark deals in the technology and life sciences sectors – for example, representing Coupang on its \$5 billion US IPO (the second largest US IPO by an international company); Freshworks on its \$1 billion US IPO (the largest US IPO by an India-originated company); Flipkart on its \$16 billion sale to Walmart (the second largest M&A exit by a technology company); and Opthea on its US IPO (the largest US IPO by an Australian new economy company). Ferish represents clients from Cooley's New York, Singapore and London offices.
