Public Companies

Jarrett Burks is an associate in our corporate practice where he counsels clients on a range of matters, with an emphasis on mergers and acquisitions and capital markets. He has advised a range of public and private companies across multiple industries, including technology, life sciences, financial institutions, consumer and industrials.

Prior to joining Cooley, Jarrett was an associate at Cravath, Swaine & Moore LLP in both their New York and London offices.

His recent experience include advising:

- **Alvotech Holdings**, a biopharmaceutical company, on its agreement to merge with special purpose acquisition company (SPAC) Oaktree Acquisition Corp. II, with the combined company valued at \$2.25 billion
- **Athenx**, a biopharmaceutical company dedicated to the discovery, development, and commercialisation of novel therapies for the treatment of cancer and related conditions, on its \$185 million acquisition of Kur Therapeutics
- **Bavarian Nordic**, a vaccine company, has entered into a definitive agreement to acquire Emergent BioSolutions' travel vaccines portfolio for up to \$380 million, including an upfront payment of \$270 million
- **biote**, a hormone optimisation company, on its agreement to merge with special purpose acquisition company (SPAC) Haymaker Acquisition Corp. III, with the combined company valued at \$737 million
- **Oculis**, a global biopharmaceutical company, on its agreement to combine with European Biotech Acquisition (a SPAC) for \$248 million
- The DKK2.7 billion Rights Offering of Bavarian Nordic on the Nasdaq Copenhagen
- **ZOLL Medical Corporation**, manufacturer of medical devices on its definitive agreement to acquire Itamar Medical, a digital health company focused on sleep apnea diagnosis, for a total value of \$538 million
