Peter is co-chair of Cooley's global emerging companies and venture capital practice group and vice chair of Cooley's global business department. Peter's practice primarily focuses on the representation of high-growth companies and their investors. He regularly assists clients with financings and mergers & acquisitions, in addition to entity formation, governance matters and securities transactions. Peter is the partner in charge of Cooley's San Francisco office, and he is a member of Cooley's firmwide mental health and wellness committee.

Peter also is one of the founders and curators of [Cooley GO](#), a microsite with tools, forms, guidance and data for entrepreneurs and emerging companies.

Peter represents companies across many of the industries that are most prominent in the startup ecosystem in the San Francisco Bay Area and beyond – including artificial intelligence, consumer products, fintech, insurtech, spacetech, enterprise software and digital health. His clients include Allbirds, AngelList, Apollo.io, Ceres Imaging, Cotopaxi, Covariant, Cover, Crafty, Cresta, Enlitic, Framer, Full Harvest, Fundbox, Gamma, Graft, Hadrian, Handle, Heyday, K2 Space, Lattice, LeaseLock, Limit Break, LoveFrom, Lytics, Matic, Medely, Mill, Netflix, ntop, Numeral, Origin Materials, Particle, Rain AI, Remedy Robotics, Smith Health, Swing Education, System, Varda and Verifiable.

Investors Peter has recently represented include 01 Advisors, Accel, Alt Capital, Andreessen Horowitz, Anthos Capital, Better Ventures, Blue Venture Funds, Coatue, Dropbox Ventures, Founders Fund, General Catalyst Partners, Haun Ventures, Mucker Capital, Cultivian Sandbox, Telstra Ventures, Temasek and Westlake Partners.
