Technology

Nikita works with high-growth emerging companies and venture capital investors, helping them with their investments, corporate governance and other strategic matters. She has practiced in India, New York and Silicon Valley, and she regularly advises clients on foreign investment transactions in India and Southeast Asia.

Nikita's representative transactions include advising:

- Tredence on its \$175 million Series B round
- Lacework on its Series D round, which brought its valuation to \$8.3 billion
- SoftBank Vision Fund 2 on its \$100 million investment in the India-based sales readiness company Mindtickle
