London

Kerry is an associate in the emerging companies and venture capital team in London. She counsels disruptive high-growth companies and their investors through all stages of the company's life cycle – including equity financings (from seed round through to exit) and general corporate matters. Kerry also has experience in M&A and private equity transactions.

Education

The University of Law
Legal Practice Course (LPC), 2016

University of Manchester
LLB, 2015
