Venture Capital  
Capital Markets

Mark focuses his practice on representing high-growth companies, founders, investors and management teams in a range of corporate matters, primarily centred on M&A, emerging companies and venture capital, and corporate reorganisations. He has experience in counselling emerging life sciences and technology companies on their formation, corporate governance and general life cycle, including private and public exits.

Mark was recognised with the Financial Rising Star award at the LMG Life Sciences 2024 Europe, Middle East, Africa (EMEA) award ceremony for his work in the life sciences industry, particularly in respect of venture capital and portfolio company matters. He also is recognised by The Legal 500 UK in its Corporate and commercial – M&A: lower mid-market deals (£50m-£500m) category.

Mark also has spent time on secondment at Medicxi, a leading life sciences investment firm, with more than 1 billion euros of assets under management.

### **Mark's recent transactions/matters include advising:**
