Mergers and Acquisitions

Technology

Life Sciences

Jeff advises clients in mergers, acquisitions, divestitures, spinoffs and other complex M&A transactions, and he is known for his work in matters involving technology, software, intellectual property and life sciences. Jeff has advised public and private companies in serial buy-side M&A transactions, and he has represented numerous venture capital-backed companies and their founders in high-profile sales.

Jeff partners with his clients throughout all phases of transactions – from establishing an efficient transaction process and structure to documentation and negotiation and finally to closing and integration.

Jeff's representative transactions include advising:

- **Uplight** in its acquisition of AutoGrid Systems
- **ColdQuanta** in its acquisitions of SiNoptiQ and Morton Photonics Incorporated & Morton Hybrid Lasers
- **CyberGRX** in its sale to ProcessUnity
- **section.io** in its sale to Webscale Networks
- **Trimble** in its acquisitions of B2W Software*, Ryvit* and e-Builder* and sale of assets to Badger Meter
- **Pacira BioSciences** in its acquisitions of Flexion and MyoScience*
- **Cricket Health** in a three-way merger with InterWell Health and Fresenius Health Partners to provide value-based kidney care services*
- **Maverick Therapeutics** in its sale to Takeda Pharmaceutical Company*
- **Peak Resorts**, a publicly traded owner and operator of 17 US ski resorts in the Northeast and Midwest, in its sale to Vail Resorts*
- **MACOM Technology Solutions Holdings** in its acquisition of Mindspeed Technologies*

**Transaction handled prior to joining Cooley*
